

Our trading zones are designed to be used in any shape or size to suit your available space. The perimeters are adaptable and can be used anywhere whether on hard standing or grass.

Street side on a pub or restaurant or used as a complete extension with as many covers as you need to bolster up your capacity.

We offer a free design planning service to ensure that you make the best use of your space with the maximum amount of covers. We offer a full range of freestanding and fixed furniture in any style that will enhance your business.
